Form 990, Part III, Line 1, Description of Organization Mission: PHA's mission is to leverage the power of the private sector to transform the food landscape in pursuit of health equity. PHA employs its vast convening power, diverse network, and thought leadership to develop and spotlight the top programs and practices with the greatest potential to create positive change in the U.S. food landscape. PHA works with organizations across the supply chain food producers, manufacturers, distributors and retailers to improve the nutritional profile of foods and beverages wherever consumers are resulting in a greater volume of healthier options for all. We also collaborate with other non-profit organizations, including food banks, who understand the importance of, not just providing any food to communities in need, but providing the right food to children and families who suffer the most from health disparities caused by lack of access to healthier food options.

Form 990, Part VI, Section B, line 11b:

After the audited financial statements are approved by the Finance and Audit Committee of the PHA Board of Directors, the Form 990 is first prepared and reviewed by external accountants, then reviewed internally by PHA staff, then by the Finance and Audit Committee of the Board and finally is shared with the full Board of Directors prior to filing with the IRS.

Form 990, Part VI, Section B, Line 12c:

PHA requires all directors, officers, members of the Board of Directors and key employees to sign a statement annually, which indicates their

understanding and acceptance of the Conflict-of-Interest Policy. PHA
enforces compliance on a situational basis. It does not include individuals
with potential conflicts in certain conversations or meetings where a
conflict may exist. Periodic reviews are conducted to ensure PHA does not
engage in activities that may jeopardize its tax-exempt status. If there is
cause to believe that an individual has acted in violation of the
Conflict-of-Interest Policy, the Board or Committee shall inform the
individual and offer the opportunity to explain the violation. If the
individual fails to explain the conflict-of-interest violation adequately,
proper disciplinary action is taken.

#### Form 990, Part VI, Section B, Line 15:

When hired, the Board of Directors used an executive compensation

consultant to assess competitive market pay levels for the CEO and senior

staff of similarly situated organizations and recommended a salary range.

The Compensation Committee utilized this data to determine appropriate

compensation. The Board of Directors approves the compensation of the CEO.
